

The Playboys Proposition (The Power to Please)

Book Two of The Power to Please, a dark, erotic romance series about shattering loss and redeeming love. Who says a girl can't have it all? Nonnie Crawford agrees to spend five sexy nights with Michael Weston exploring BDSM. He proves to be a stern taskmaster, pushing her further, faster than she prepared herself to go. Complicating matters, Gibson Reeves continues to invade her dreams, as inscrutable and commanding in her fantasies as ever he was in real life. Nonnie soon learns secrets about both men, realizing that what seemed a simple choice wasn't so simple after all. Before it's too late, she'll have to make a critical decision -- how far is too far? *Warning: adult material. Only purchase if it is legal for you to do so.
