

## Tempting Magic (Myths and Legends Book 3)

An Erotic romance with a paranormal twist... When a twist of fate blurs the line between friends and lovers, passion sets their world ablaze as Solomon and Renee discover the true meaning of ecstasy. Welcome one, welcome all to the nine hundred thirteenth annual tournament! Join the gang from Myths and Legends as they travel to Supernova for a week-long supernatural sporting event. Master swordsmen, elite marksmen and magical mazes are just a few of the things friends and foes will face as they battle in the arena. Solomon Reynard is the man behind the magic at the Myths and Legends Casino Resort. Ranked as one of the best sorcerers alive, he is well known for his world famous stage shows and nearly impenetrable security wards, but his legendary sexual antics are perhaps his real claim to fame. Which served him well, until the recent discovery of his mate. With her identity still shrouded in magic, Solomon grows desperate until inspiration strikes and her face is finally revealed. As his personal assistant and closest friend, Renee Jacobs swore long ago that she would never fall prey to Solomons seductive charms. She knew he would never be happy with just one woman, and she wasn't willing to settle for anything less than monogamy. Yet even without physical intimacy, he found his way into her heart. When forces beyond her control threaten to force his hand, Renee makes a desperate decision that will change their lives forever.
