Every little girl wants a prince to come and save them, but what happens when your prince comes with Devils horns? Fliss Waller isn't looking for too much. Just a perfectly hot guy who can handle her sexy curves in the bedroom as well as hold a decent conversation. When undercover cop, Jon Wilde strolls into her life, with his intense eyes and perfectly tattooed body she can't believe her luck. Not only is Jon smoldering hot, he's got a dangerous edge that makes everything more exciting. But when does exciting turn dangerous? Jon refuses to talk about what he's done on his last assignment, but Fliss wonders, how bad can it be? The reality of who Jon really is will turn her world upside down and change her life forever. Is her love for him strong enough to endure the storm? Find out in Book 1 of this hot new series!
