

## Rug Hooking Motifs for the But I Just Cant Draw Crowd, First Edition

RUG HOOKING MOTIFS for the But I Just Cant Draw Crowd includes over 500 traditional folk images which can be copied, enlarged, or reduced to create a personalized ready-to-hook rug pattern. This compilation of sketches is designed for rug hookers who want to create their own designs but who are untutored in art or who lack drawing skills. It is not a book about the principles of design, but rather a tool. Ramona's simple and detailed steps take the would-be designer from the book motifs to a personalized and finished design.
