

The Babysitter: Bound

My husband wants to play with you. So do I. Will you let us play with you? When my professor asked me to babysit, I thought I'd be in for a quiet night alone with his kids. Little did I know, he had other plans. When I arrived at his house, he dropped a bomb: he doesn't have children. He introduced me to a woman he referred to as his wife, but I've never known him to be married. I've had a crush on my professor all semester, but when he revealed that he and his wife wanted to tie me up and take me at the same time, I was shocked. Reluctantly, I submitted to their babysitter fantasy. Now, I'm desperate for more. Take a Look Inside to preview this steamy tale.
