

Easy Digital Music

Your home PC is a virtual concert just waiting to happen. Your PC can become a complete audio entertainment center with song you download or tracks already in your music collection. Easy Digital Music will teach you the basics of creating, enhancing, organizing and distributing digital music on your PC. Discover the best websites for downloading music, ways to convert your cassettes and record albums into digital music files and tips on using iTunes, Roxio Easy Media Creator 7, Windows Media Player and MusicMatch software. Digital music can be easily transferred to other computers or your MP3 player and Easy Digital Music will show you how its done. Create a soundtrack for your life at work, at home and at play.
