A brief version of the best-selling BECOMING A MASTER STUDENT, the thirteenth edition of BECOMING A MASTER STUDENT: CONCISE continues to lead the way in meeting the changing needs of today's learners. With over 150 less pages than the full edition and 2 fewer chapters, BECOMING A MASTER STUDENT: CONCISE contains the key features and tools of the bigger version, such as interactive journaling, a motivational writing style, the Discovery Wheel, Discovery and Intention Journal Entries, Power Process articles, Master Student Profiles, and the Kolb Learning Style Inventory (LSI), that have helped traditional adult learners to identify their strengths and weaknesses, set goals, and practice academic and life skills. In this latest edition, readers will find even more ways to deepen their knowledge of themselves and the world around them with the new Master Students in Action feature, end-of-chapter Skills Snapshot exercises, and new chapters focused directly on Memory and Health.
