

Burmese Cats 2015 Square 12x12

Known to shadow their owners wherever they go, Burmese cats relish the attention and affection people give them, and they return the favor generously. Sturdy and compact with a plush coat that comes in sable, champagne, blue, or platinum, they are frequently described as bricks wrapped in silk. They are highly intelligent, playful, and...a wee bit mischievous. Fans of this fabulous breed will cherish this Burmese Cats wall calendar. BrownTrout is committed to sustainability.
