

Best of the Fifties / Book #2: 7 (Archie Americana Series)

The 50s is a fondly remembered decade for many... for both those who lived through it and those who know it only from nostalgic movies and TV shows. The 50s were also the perfect decade for Archie to have his misadventures-whether getting tangled up in the eternal love triangle or incurring the wrath of Mr. Weatherbee, Mr. Lodge and even his own father, Archie scaled to new heights of hilarity!
