

## Taken while Camping with My...: Taboo Menage Short Story

Nash has been nothing but trouble ever since he came into my life 10 years ago. I knew it was going to be a weekend of hell when I was told I had to go camping and Nash would be there with his best friend. Even though we grew up together, Nash couldn't help but tease me relentlessly. It didn't help that he's impossibly gorgeous and super cocky. When you put him together with his equally hot and arrogant best friend, Logan, the two are unstoppable. So what exactly was I supposed to do when the three of us ended up being left alone on the camping trip? Especially when Nash and Logan were constantly fighting over which one of them could have me first? Certainly, I couldn't have both of them at once... Could I?
