

The First 90 Days of Marriage

Most married couples look back on their first few months of marriage as a roller-coaster time of surprises, awakenings, and lots of ups and downs. But Eric and Leslie Ludy, bestselling authors of *When God Writes Your Love Story*, show couples in this practical, inspirational book how to transform the whirlwind of the first days of marriage into a sure foundation that will support them for a lifetime. The Ludys teach men and women readers how to use those crucial first 90 days to develop all the necessary habits for a happy, satisfying marriage—habits of kindness, forgiveness, fun, warmth, reconciliation, and patience. Filled with down-to-earth advice and questions for reflection, *The First 90 Days of Marriage* is destined to become a classic for newlyweds and engaged couples. And even if your marriage is well past those first 90 days, it's never too late to put these principles to work. You'll love the results.
