

Our Little Family (BWWM Interracial Romance Collection Book 6)

At 24 and exotic in appearance, Joanne Maxwell has a career, a place of her own, and a casual relationship with Ryan Sanders. Joanne also has abandonment issues and was raised by her aunt and uncle. Perfectly content with holding Ryan at arms length, Joanne thinks shes happy and outgoing. Shes oblivious that reality is going to make her take a long look at herself. Ryan Sanders, a veterinarian with movie star looks, likes to flirt and hang out with his friends. He happens to care deeply for Joanne but she made it clear from the start nothing serious. They have great chemistry so he lets her set the pace until they find out shes pregnant. Will they be able to work things out? Length: 30,100 words This is a black woman white man interracial romance novella.
