

2016 Just Cairn Terriers Wall Calendar

In the classic film *The Wizard of Oz*, Dorothy's dog, Toto, was a Cairn Terrier. They're playful and cheerful little dogs who adore the company of all humans but have a special sweet spot for kids. The Cairns' friendly and loveable ways are mirrored in these twelve bright photographs. The large format, fullcolor wall calendar provides daily grids with ample room for jotting appointments, birthdays and reminders. Also includes six bonus months of July through December 2015 as well as moon phases and U.S. and international holidays.
