

Call of Darkness (An Action Adventure Paranormal Shifter Vampire Romance)

Killer looks and killer instincts On the surface, Erica appears to be a normal young woman, attending college classes and meeting up with her few close friends. At night she is found stalking through shadows dressed all in black, taking out vampires and werewolves with her blades. Since losing her parents to an attack by vampires wanting to erase their family legacy from the world, Erica has taken up their vampire hunting business with a vengeance. She is an alpha girl and a force to be reckoned with. At least, that was what she thought until she met Dallas. A vampire with a mind of his own Dallas has spent years suppressing his urges to protect Erica, and along the way has gotten himself into a mess he cannot escape. Leaving his den to keep a silent and invisible watch on her has landed Dallas in big trouble with the rest of his pack, and he has unintentionally dragged her into the fray at his side. When the two of them finally meet The connection is undeniable. Erica cant seem to keep her eyes or her hands off of Dallas, no matter how hard she tries. Attraction blooms between them, and the action romance adventure begins. But Erica and Dallas have bigger problems than how to manage a paranormal vampire romance to deal with after all, Dallas hasnt been protecting her all these years for no reason. For fans of action adventure thrillers who are looking for something with a touch of erotica, Call of Darkness is a decision you wont regret. Paranormal vampire romance is a genre that combines the drama of an action romance adventure with the steamy sex stories of an erotic novella. She is determined to find the creature that killed her parents and exact her revenge A life of training to do battle with the paranormal has prepared alpha girl Erica for anything. However, with no memory of the night in question, this proves to be a harder task than she could have imagined. So she continues to cleanse

the world of the creatures who feed on her fellow humans, striking them down with the expertise of a master in combat. Dallas is caring and protective, exactly what you wouldn't expect from a five hundred year old vampire in a nineteen year old body. Intelligent and quick to react to his surroundings, he makes a perfect partner for Erica in her action adventure thriller of a life. Her needs get put above his own as he watches over her, which may turn out to be precisely what she needs as she hunts for revenge. He learns to use his abilities to his advantage in their shifter romance, rousing some interesting sexual exploits between them. But despite his protective nature, Dallas is still a fearsome creature who doesn't like to be messed with. When his claws come out, it's game over for anyone who dares to cross him. Of course, fighting monsters and planning revenge can't be the only thing these two join forces for, as the bond between them is instant and not ignorable. Steamy sex stories make for some exciting vampire erotica when the two get together in a mix of passion and attraction. The shifter romance between Erica and Dallas is something every reader can relate to. This story is perfect for young adult readers who are looking for vampire erotica that isn't crude or excessive, without missing out on the steamy sex stories you crave in a romance novel. Please purchase this 20,047 word story and help Erica find out what happened to her parents and who is to blame.
