

## What I Learned at Church Camp

Do you promise not to tell my parents? It was my first time ever going to church camp. I was nervous, but I knew that it was going to be a good opportunity to meet some new friends. Plus, Pastor Kevin had asked specifically for me to come, so I felt like I needed to attend. When my parents drop me off at the camp, my initial nervousness begins to fade. Pastor Kevin is extremely welcoming and seems to really be excited that I'm there. But things get interesting my first night at camp, when I catch Pastor Kevin watching some very naughty videos in his cabin. It's so sexy and I can't help but to watch. Unfortunately, he catches me spying outside of his window, and he's not happy about it. Will Pastor Kevin have his way with me like the girl in his movie, hard and without protection, or will he take my virginity slowly and sensually, like I had always dreamed? Either way, this will be one summer at church camp that I won't soon forget. This 10,000 word story features an innocent 18-year-old girl being seduced by a muscular and powerful man who is twice her age.
