CCNA 640-802 Cert Flash Cards Online
Stephen Kalman

The CCNA 640-802 Cert Flash Cards Online provides a concise review of all objectives on the CCNA exam. This online exam preparation tool consists of a custom flash card application loaded with over 300 total questions that test your skills and enhance retention of exam topics. Questions are organized by exam objective, allowing you to focus your study on selected topics. You can choose to view cards in order or at random, and you can create custom sets from the entire bank of cards. The engine provides you with the ability to mark each question correct or incorrect and provides a detailed score report by category at the end of the exam. You can even write notes on each question and then get a printable PDF of all your notes aligned to the relevant questions. These robust features make this a truly unique learning tool:

- Test your knowledge by entering your own answers
- Grade your answers against the correct answer
- Create custom question sets
- View detailed score reports
- Enter and print notes on each question
- Use on any device that has a web browser and Internet connection

CCNA 640-802 Cert Flash Cards Online is an online, internet-based service, available in both desktop and mobile device formats, allowing you to test yourself at home, at work, or on the go. This product includes an access code and instructions for using the service.
