

## Cheap Thrills in the Tool Shop: Inexpensive Equipment Options and BenchTricks for Goldsmiths

Buy this Book!! - Mel Wolski, MAGazine. Once in a while a master takes time to record the tricks amassed during a lifetime, although among jewelers this is very rare. - Alan Revere. This is a loose, eclectic collection of short cuts, bench tricks and alternative equipment options for goldsmiths. Cheap tool making, conversions and unexpected sources for tools are all described. Sections include shop machines, tools, setting tools, soldering and more. Lots of drawings, lists and reviews of sources round out the book. A good table of contents and index make finding information easy. 80 pages. 82 line drawings.
