

Chevrolet Police Cars

If you like Chevys, if you like powerful engines, or if you just like the excitement of a great story, Chevrolet Police Cars 1955-1996 is one souped-up package that's got it all. Lift the hoods, open the doors and climb inside America's toughest police vehicles. You'll see the real Chevys-- built for speed, designed for the law and equipped to handle anything. Every chapter is devoted to a model year so you can follow development and improvement over time.
