

## Chilled by Death

This is book 3 in the By Death series. In this book we revisit a character from Haunted by Death - Stacey Carter. After losing several friends in an accident, Stacey became a loner. She knows she needs to grow past it but, a career working with the dead is not a warm and cozy conversation starter. When her brother coaxes her back to the same mountain for a holiday to help her heal, she realizes he's right - it's time. Royce, a long time friend and someone who wants to be so much more, can't believe Stacey is back and fighting her depression. He blew their last time together and this might be his second chance with her. His only chance to get back with her. Now if only he could figure out how to not blow it. But once out in the winter wonderland, the holiday atmosphere quickly shifts when they find a dead man. Then one of their own goes missing... It will take everything Stacy and Royce have to make it through this nightmare.... They can't trust anyone maybe not even each other...
