

The Chronicles of Conan Volume 32

Plagued by nightmares of his homeland consumed by fire and death, Conan is compelled to set out for distant Cimmeria to see if his tribe still lives. But the barbarian warrior's path is unexpectedly fraught with legions of the undead under the unholy thrall of the Hyperborean witch Vammatar, who once held Conan's own chains! The Chronicles of Conan collects classic Conan the Barbarian tales never-before collected and unavailable for over a quarter of a century.
