

Chronicles of Kull Volume 5: Dead Men of the Deep and Other Stories

Kull slew the bloody-handed King Borna to free the people of Valusia from his tyranny, but that act turned out to be the easiest of Kull's reign. Now his sovereignty is threatened from all sides; evil mages, eldritch spirits, plague, and serpent-men would see Kull, the barbarian king, to an early grave! The final Chronicles of Kull collection features an unbelievably talented pool of creators including John Buscema, Bill Sienkiewicz, John Bolton, Marie Severin, and more, to give the conquering Atlantean king a proper farewell!
