When a stranger visits her BDSM club, she winds up showing him around the club and can't hide her attraction for him. She finally gets exactly what she's been looking for when he takes control and then takes her. He ties her up, forces her to orgasm, and then makes her beg. Could Ethan the dom she's been looking for? Excerpt: I know what you want, he whispered. He leaned in and I thought he was going to kiss me, but instead he slid his face past mine and kissed my neck.
