

## Mac Shareware 500: The Last Word on the Virus-Free Mac Shareware

Tired of budget-busting software? Fed up with feature-laden packages that try to be all things to all users? For just a fraction of the cost of commercial packages, shareware offers economy, efficiency &, best of all, a no-risk, try-before-you-buy policy. From literally thousands of shareware programs, authors Prevoost & Terrell categorize, rate & describe top performers in an overview that includes a shareware primer, catalogs, online services & user groups, fonts, clip art, sounds & more. Contains 2 high-density disks with the cream of the crop -- a selection of the authors favorites plus America Online software. A terrific source.
