

Coming of Age: Employment Outcomes for Youth Who Age Out of Foster Care Through Their Middle Twenties (Paperback) - Common

Studies of former foster youth who age out of care find that these youth generally experience high unemployment, unstable employment patterns, and earn very low incomes in the period between ages 18 and 21. The Department of Health and Human Services (DHHS) Office of the Assistant Secretary for Planning and Evaluation (ASPE) requested this study to examine employment and earnings outcomes for youth...
