

## Zombies Vs. Robots

Its tech prowess meets undead mayhem! In this tale of carnage from the Eisner Award-nominated team of artist Ashley Wood (Popbot) and writer Chris Ryall (The Great and Secret Show). A post-apocalyptic world overrun by zombies has only one chance at recovery a team of robots that must protect and clone a lone surviving human baby. They just need to do this amidst the endless hordes of zombies who have been driven rabid by their frustration at inedible bots and their lust to eat the one living brain left on the planet.
