

Late Night Comic: 2012 Year in Review

Starting in 2012, Late Night Comic has brought unbiased reviews of video games, movies, and books to the blogging world. Within these pages are reviews covering games released from the 90s all the way up to 2012, as well as movies dating back to the 60s, and books from various times in the past 30 years. Rarely serious, and usually funny, the entries on Late Night Comic always try to bring a bit of fun to the review world, these reviews are anything but traditional.
