

Confessions of a Flesh Eaters: Dedalus Original Fiction in Paperback Ser.

Confessions of a Flesh-Eater is the story of a grand passion - the story of man and meat, and the intimate relationship between them. That man is Orlando Crispe, universally acknowledged as one of the finest exponents in the world of classical and creative cuisine, and at present languishing in a Roman prison, charged with the murder of at least four people. The confessions of Orlando Crispe constitute a detailed and frank account of the love affair between a master and his medium. For Crispe, the consumption of flesh is essentially an act of love, a communion as intimate as the act of sex, and such intimacy inevitably achieves its own proper apotheosis between persons. The novel gives Orlando Crispe classic menus and readers who wish to try them are advised that whenever human flesh is specified, animal flesh can be used instead - indeed it should be.
