

PowerPoint 2003: Advanced, 2nd Edition + Certblaster & CBT, Instructors Edition (ILT)

This ILT Series course, rated 4.9/5.0 in overall quality by ProCert Labs, teaches advanced-level functions and features of PowerPoint 2003. Students will learn how to create and modify templates, build a custom slide master, and insert multimedia elements. They'll also learn advanced techniques for working with charts, tables, clip art, and drawing tools. Students will add and modify action buttons, use advanced delivery techniques, customize and create toolbars, and create macros. Finally, they'll learn how to integrate PowerPoint with other Office programs. This course is approved courseware for Microsoft Office Specialist certification. Comes with CertBlaster exam prep software (download). Also available with a companion CBT program and student data files on CD-ROM.
