

## Cowboy Jackpot: St. Patricks Day (Volume 3)

Stormie Thompson has only one reason for being in Las Vegas; to seduce rodeo bronc rider Jayden Hancock. Thinking she's the reason for all his bad luck, Jayden wants only to avoid her. But when a lucky mistake at a video poker machine makes them both big winners, Jayden realizes Stormie may be the best thing that's ever happened to him, especially when he gives in to her seduction. When she finds evidence that Jayden is interested in what she has instead of who she is, can he convince Stormie to ignore her suspicions and trust her heart?
