

## Criminal Macabre: They Fight By Night #0

After Cal McDonalds recent resurrection into the world of monsters, hes back to his old game: solving crimes involving creatures that go bump in the night. After a political candidate is mysteriously decapitated on live TV, Cal teams up with his ghoulish sidekick MoLock and an LAPD detective to find out who the culprit is ... and if its connected to the brewing war of darkness. \* The debates turn bloody ... live on TV! \* Collects four installments from Dark Horse Presents! \* Leads into the epic 30 Days of Night crossover! Criminal Macabre has pressed all of my pleasure buttons and has turned me into a smile-faced, gushing fanboy jumping up and down repeatedly while clapping my hands in glee.-Comics Bulletin
