

## Cum For Bigfoot: Volume Two, Books 6-10 (Volume 2)

As featured in the October 2012 issue of Penthouse Magazine! Kidnapped by horny, ape-like creatures in Mt. Hood National Forest, Porsche, Shelly, and Leslie find themselves in a lusty situation, as a tribe of Bigfoots use their willing, nubile bodies to satisfy their monster cocks. How can Porsche leave all of this behind and return to civilization? When she's in the arms of her Sasquatch, warm and snuggly in his matted fur, the only thoughts going through her mind are of utter bliss. But challenges abound for the star-crossed lovers, including Leonard's head injury, a devastating wildfire, and a sexy forest ranger named Mike. Will these obstacles shatter the growing love between an ape and its mate or will true love triumph? The Bigfoot series delivers a great buzz - characters to care about, an interesting plot with story arcs that extend over a couple of books, and down & dirty ape lovin! - MaryJaneZigZag, Wild Rose Country, CANADA The idea behind Cum For Bigfoot and the rest of Virginia Wade's Monster Sex books are out there, they are obviously meant for fun and they deliver. This, as well as the others, is well-written engaging from beginning to end fun. - Michelle, The United States What a scream this book was. I'm going to pick up the sequels too. I enjoyed Virginia Wade's paranormal story The Demon In Alice so I was expecting something unusual here. I never thought I'd enjoy Bigfoot sex in a million years but this is so well-written and just plain crazy that I couldn't help myself. I loved it. - interloper, UK What do you get when you cross an Elephant and a Persian Rug? The male protagonist in this book of course! Shaggy, but well equipped, Leonard has the equipment to make the teenage nympho Porsche squeal with delight. - Natalia Darque, author of Forced to Watch: The Breeding of My Wife and Blackmailed and Bred by Her Boss
