

## A Sissys Delight 1 (Femdom Humiliation Cuckold)

David discovers something about his wife of three years, Morgan: she loves control. And as it turns out, he loves being controlled. He doesn't realize it when she suggests they bring another man into the bedroom to spice up their stale extracurricular activities. He doesn't realize it when she ignores him and tells the other man to shove it in first. It finally dawns on David that he's a submissive wimp when Morgan orders him to open up and take his first taste of another man. And if he wasn't certain about his standing then, his wife's refusal of his kiss and demand that he fetch tissues and clean her up sends him a very clear message. Of course, David thinks his forays into the world of sissies will be only occasional bedroom indulgences. But once Morgan begins wearing the pants and he begins wearing the panties, he realizes his whole world is about to change. Will he put a stop to it, or will the allure of becoming a girly-boy be too much for him to turn down? This story is approximately 7500 words.
