

## The mixup with the Millers: A hotwife menage MFM threesome cuckold submission story

Amy Miller planned on spending a nice quiet weekend together with her husband Chris until a mixup in with the booking leads to an unexpected meeting with the man next door, a tall handsome stud named Ben. A situation arises and the couple learns a secret about Bens lifestyle, sending Amys thoughts traveling down a path they havent been before. Chris will not put company business aside for the weekend, leaving Amy bored and looking for something to do. Will she sit idly by and watch sitcoms in the hotel room? Or will she stroll down to the hotel bar and look for their new friend...
