

Deandra Gets On The Alpha Train 3 (BWWM Interracial Shifter Menage Romance)

Our Alpha knelt behind me. I felt my panties slide down my legs, my damp eagerness driving his primal mind wild... Im sorry, I have to brag just a little bit. I woke up this morning, in between a pair of gorgeous white Shifter men. Im now their Grace, a titled position in the Pack. And I have needs. These poor guys think they can satiate me, but Im going to ride them until they beg for mercy! In the forest, the blue light of the moon made her gorgeous dark skin glow. I watched my pale length slide in and out of her, her moans cut short by our Packmate in her mouth... I didnt know how our new Grace would handle us. Were two fierce men, with fierce sexual needs. We take her at every whim, taste her when we want and mount her when we need to. We thought today was just going to be another late morning between the sheets, but it turned out to be a lot more than that! Over eight thousand words of a woman of color being double teamed by her two alpha male werewolf white boy lovers.
