

Cold Fire (#2) (The Zoe Scott Series)

Alpha Erotic MFM/FF/MM Menage. Darrell didnt know how much hed like a back door surprise.... Zoe threatens to break it off with Darrell because he doesnt have another firehouse escapade in the works. If he cant bring itshe cant stay. Darrell brings out the big guns and it sends Zoe into a funk until Dara gives her a perfect foil for their stagnate love life. When Darrells possessive streak gets the best of him, he thinks hell show Zoe whos boss. Instead, he receives way more than he bargained for. EXCERPT: Hello, Gentlemen, Dara said in her melodic contralto. They had a different look to them that Zoe couldnt quite place. Dara did. A big fella with icy blond hair and glacial blue eyes said, Hellowe could not help but overhear your conversation. Dara parted her legs ala Sharon Stone and crossed them. The mens? eyes strained not to look at her female bits as she did. Zoe almost cackled. The effort was clearly making them sweat. Naughty boys. Then Dara laid the world traveler moves on the guy closest to her. Sprichst du Deutsch? she asked in a droll tone. Ja, the blond giant said in stunned surprise. We Americans, its a one language country, @ammit. But Dara liked to flirt in any language. But then Zoe didnt get to understand all the fun. No, Zoe said, no multilingual bs, Daraplay fair. Dara pouted. I like foreign men. Zoe saw the guys? eyes glitter at her with lust. The bigger dude, all blond viking and shit, sunk to his haunches and looked deeply into Daras eyes. We like you as well. Good, Dara said and reaching under the table, she got a hold of vikings tool and squeezed. He moaned low in his throat and his lips parted. Short story length.
