

Marina (Naughty Nookie Series Book 2)

Marina Denison causes more havoc than a tropical storm. Her life is complicated, so complex she's become a danger to herself and those close to her. Nate Conroy is the man to tame Marina, because if anyone needs de-bratting, it's Ms. Denison. His methods are unique and are a revelation for Marina. Through him, she comes to terms with a side of her nature she didn't realize existed. With a Sir to please, she has no time for mischief, but like a magnet, she attracts it. While a spanking (Several of them!!) has reaped miracles, it doesn't stop a murderer from running wild or from putting both Sir and princess in peril...
