

Pregnant for Riches: Billionaires Bought Submissive (Billionaire Erotic Romance) (His Pregnant Submissive Book 1)

PREGNANCY FOR WEALTH...Rebecca has no one to blame for submitting to a wealthy billionaire's desires for an heir. No one, that is, except herself. He's promised her millions for one year of total slavery, far more than this out-of-place woman could ever hope for. What she doesn't know is that Aaron Westfield is more than just an heir-obsessed monster. Her rough start in his personal dungeon quickly changes when he takes her out one evening, bathing her in the opulence that only high-class wealth brings. Soon, Westfield isn't just her Master in name only. Rebecca is shocked to find herself craving this man and his many secrets. Creating his heir promises her more than marvelous wealth. It hints at wonders that will drive her freely into his arms, and secrets that will chill her blood. This story contains sultry domination, pregnancy romance, and passionate intrigue. An erotic romance novelette of over 8,500 words.
