

## At His Service: Older Man Younger Woman Billionaire Romance

Completely undressed, Katie crawled towards me. My job is to do everything you ask, she said. Billionaire mogul Terrence DeBoer knows his pretty little assistant Katie is off-limits. The girl is beautiful innocent and untouched but she's also his best friend's niece. But when Terrence suffers a setback at work, his friend has a simple message for him: If you want the girl, take her. With his friend's blessing, Terrence makes his move. And because Katie's job is serving Terrence, she must do everything he asks. Not that Katie minds. She's been waiting for the day when she could serve Terrence's deepest, darkest needs, and she's dying for Terrence to take her hard and unprotected.
