

## John (BBW Country Music Bear Shifter Romance) (Bearly Saints Book 4)

Special Launch Sale! \$2.99 \$0.99 for a limited time. Meg Baker wanted for nothing growing up. The best schools: she attended them. The best instructors: she learned from them. The best talents as a violinist: she was born with them. A pampered life of chauffeurs and private jets. So why was she now on the run, trying to hide herself in the one place she knew her father would never look for her? John might have the last name of Saint, but his family swears he made a deal with the Devil. Not one person from Ozarks to the Appalachias could strum a mandolin like him. And while he loved the harmonies he helped his family achieve on stage, he always felt something was missing inside. Until that night she came into The Fiddlers Cave, and for the first time in his life he thought there might be someone who felt like he did. This 13,000+ word novella has hot Country Music Bear Shifter action, a Happily Ever After, no cheating and no cliffhangers! I've attached some free stories afterward as my thanks to you.
