OOSA Online Book Club A fantastic read! I got mad when my kids interrupted me while reading it. I hid in the walk-in closet for an hour so I could finish the book without being disturbed. Great read. Very entertaining. Reminiscent of the early Eric Jerome Dickey with a sprinkle of Iceberg Slim spice. Alan is an incredible writer and has a bright future. mind - what woman can resist that?!? I laughed so hard at some of the situations Dapper found himself in though - those were my favorite parts of the book (oh yeah the sex too - did I mention that yet?). Great read, a breath of fresh air in the urban lit category. Literally could not put it down. It has a Sex and the City vibe..... I feel like I know Dapper.
