

Chloe and the Billionaire Games (The Milk Bearer Book 3)

Our eyes locked, and a deep chill ran through my body. Time and space dissolved. He held me with a powerful gaze, and in it I saw strength and madness, and my mind filled with images of me naked and tied up and submitting to him completely as he played with my pain and pleasure with the skill of a master conductor. In this third book of The Milk Bearer series, Chloe gets pulled deeper into the world of the enigmatic masked billionaire while Dr. Ryan pitches a desperate attempt to keep her innocence intact. Join Chloe as she shares her sweet nectar with the two men in her life and experiences a masquerade ball that is unlike any other. Adults only (18+) Warning: This 18,600+ word book contains sexually explicit scenes that some readers may find objectionable.
