

Dark Spirit (Spirit Wild) (Volume 2)

Kate Douglas captivated the world of erotic romance with her groundbreaking Wolf Tales series, and she continues to push boundaries in her new Spirit Wild series. Dark Spirit is the second book in the series, following Dark Wolf. Romy Sarika has spent much of her life suffering at the hands of a sadistic cult leader. Twenty years earlier she watched him kill her mother, and now she awaits the same fate. But when the self-proclaimed prophet orders Romy killed, the wolf part of her rises up and for the first time she shifts. Managing to save herself, she leaves death and chaos in her wake. Alone in the woods and badly injured, Romy is found by Jace Wolf and Gabe Cheval, two powerful and striking Chanku who help her heal and simultaneously unleash sensual desires in her that are as new and intense as her wolf-like abilities. But just as Romys opening herself to this new erotic world and the passionate connections she's forming with both men, danger is closing in. Bent on revenge and driven by bloodlust, cult members are pursuing the trio. Discovery could mean not just Romys death but destruction of the Chanku way of life. With their lives at stake and the Chanku race in jeopardy, the three must fight to save themselves and the future of their proud race.
