As if divorce wasn't bad enough, dealing with your divorce attorney can be a nightmare. *Divorce Attorney Crash Course: 15 Critical Ideas for Selecting Then Managing a Divorce Attorney* is filled with tips that you won't hear from prospective attorneys or their advertising. You can make critical and sometimes irreversible errors if you engage the wrong divorce attorney. Reading this eBook is the first of several strategic choices you'll make along the way to a fair and equitable divorce. Knowing what questions to ask is crucial to your cause. Some of what you'll learn are Strategies for evaluating and selecting the most appropriate attorney

Tactics to improve the attorney's ability to represent you Specific cost containment recommendations Mediation session guidance If you are about to enter into a divorce proceeding, or even if you are partway through, this eBook is certain to be of help. Ask these people! The info in this book is really useful and the format is great. There is no filler or philosophizing. It just tells you what you need to know if you need to hire a divorce attorney. It includes not only how to find the right attorney, but also gives some advice on saving money and keeping things simple. Calling attorneys is intimidating, so knowing what to ask and how to handle concerns is really useful. ~ Melissa Hammett I loved this Crash Course because it is not the usual advice fare. There's a couple items in here that will undoubtedly save me hundreds of dollars just because the idea/advice was put in front of me. I never would have thought of some of these items on my own. Some are obvious but need to be said, but there are a few real gems as well. Definitely worth the price to read. ~ Cynthia Do yourself a favor and take control of the divorce process today by investing in your immediate future. You'll be glad you did!
