

Rockys Little Book of Minecraft Silverfish Challenges: (Track 0230) (Hostile Mobs) (Volume 8)

The reclusive Silverfish is considered a minor threat to the typical Minecraft adventurer. But for a novice, the swarming tendencies of this relative to the Spider can be dangerous and even deadly. The experience obtained by completing this collection of 10 regular and 4 bonus challenges will ensure that the Silverfish remains the least threatening of the hostile mobs in Minecraft.
