

How To Take and Defend Depositions

This practical handbook explains when, why and how to use particular strategies, tactics, organizational approaches, methods, and techniques in taking and defending depositions. Packed with trade secrets that one-up the opposition, **How to Take and Defend Depositions, 3rd Edition** shows you:

- How to pin down and freeze witnesses testimony with an early deposition so they cant change their story later
- How to make a deposition a lot more effective by getting an interrogatory answered first
- Twelve proven ways to discredit a witness
- How not to open Pandoras box when questioning a third-party witness
- How to avoid the trap of allowing your opponent to set the deposition times
- And How to turn talk into evidence thats admissible in court

 Whats more, Martiniak provides checklists, outlines, reminders, and dozens of practice tips.
