

Delta: Revenge

A Tortured Hero with a Heart of Gold Growing up on the streets of Rio de Janeiro, Javier Almeida has only his older sister to protect him. When she's sold to a human-trafficker, he vows to hunt down those responsible. Years later, Titan Groups Delta team finds him, tattooed and brawling, a vigilante protector with information they want. They take him in and train him, working him harder than a man should be driven, until he's a soldier harboring an obsession. Ready for revenge, Javier ghosts his way across the globe, tracking the men who took his sister and working elite private security jobs. Meets Sweet and Sassy Jilted at the altar, Sophia Cole turns the reception into a one-woman party. She's intent on devouring all the cake and champagne, so she can bask in the calories she's been avoiding. In the midst of the revelry, he walks in, the one man she can never ignore. Javier is her older brother's black ops teammatean automatic Do Not Go There. But if there's one thing better than fondant and a buzz to ease the wounds of a cheating fiancé, it might be a one-night stand with a South American military man. It's a Game Changer. Javier didn't expect to see Sophia again. He never thought he would even want to see her again. He shouldn't have touched her, but his mind won't stay away from her. Now, Sophia Cole is thousands of miles away from the safety of her parents' lavish estate and working alongside him in hell. She's a staffer at an Embassy, and he's there to keep them alive. There are bombs and bullets and blood-hungry enemies. And then she's taken. Gone. Just like his sister. But so much worse.
