

Hotter than Hell: An Erotic Horror Anthology

Magick: All the stars in Paige Turners life align when Hunter Garrett proposes under a full moon in a graveyard garden on Halloween night. However, the moment they step inside the fraternity for the annual Halloween bash, their entire future unravels in a swell of drugs and deceit. Paige awakes in a sanitarium with no recollection of anything beyond a few raunchy sex acts, and the news she is presented with squeezes her heart to the breaking point. Hunter died of an overdose, and everyone thinks she is responsible. With all the evidence pointing in Paiges direction, proving her innocence may be an impossible feat, but that is the least of her worries now that she has unleashed an angry ghost. House Rules: Laylas gambling addiction brings her face to face with the devils emissary, and now shes playing for her soul. Kaine is one hot soul-collecting stud. He runs the table in hells den, and the house rules are simple: if the player wins, they are given the choice to walk away with the amount of time in their pot. But if the house wins, the player must pay the loss with pain. When all the players chips are lost, they become a permanent resident of hell. Can Layla resist the temptation for more time, or will she end up locked in hell, screaming for all eternity? The Raising: What would you do to bring your soul mate back from the dead? Would you give up your soul? Your talents? Your life? Dr. Holly Robbins lost her husband to a stray bullet, and now she has another patient on the brink between life and death. A patient whose mother offers a unique opportunity, but only if Holly can save her son.
