

Desired By the Wolf: Part 2 (BBW Werewolf / Shifter Romance)

Strange cravings. A sudden illness. Vivid dreams. Lenore's plain life gets turned upside down after her accident. She finds herself with an insatiable appetite for raw meat and a strange fascination with the night air. Her strange, lustful dreams haunt her waking hours. Is she losing her sanity?

Can she find the answers to the sudden strange goings-on around her? Wherever the road she travels goes she knows one thing for certain; Nick will be there by her side. Unfortunately, she doesn't know whether that's good or bad. *Desired By the Wolf: Part Two* is the first entry in the four-part *Desired By the Wolf* serial, and is not intended to be read as a standalone story.
