

Diary of a Minecraft Poetic Donkey (An Unofficial Minecraft Book)

Minecraft Diary: A Minecraft Adventure of Ri-donkey-lous proportions! Hot New Release from #1 Bestselling Author Step into the world of Sinclair; the poetic, romantic, elegant, brave, and whatever donkey. With little memory of his past, he chose to abandon Steve who's been mistreating him at least, that's what Sinclair thinks! Unlike other passive mobs, Sinclair the donkey has the heart of an explorer! Plus, he is a lyrical genius at least he thinks he is! This is the story of the bold, overconfident, self-absorbed hero who is out to conquer the world and uses poems to tell his story. With the help of his trusty spider sidekick Gustav, our four-legged hero will face zombies, creepers, a bloated ego, and a murderous white bunny. This story of Sinclair the poetic donkey will teach you that any fool can be a hero of his own story. *** Read It FREE With Kindle Unlimited Or Prime Membership *** Don't have kindle? No worries!
