

When Dinosaurs Roar!: Dinosaur Color Book (Dinosaur Coloring and Art Book Series)

IMPORTANT - EBOOK edition of this book is an ART BOOK and not used for coloring on the device. The eBook is a preview providing useful content on the benefits of coloring for both children and adults, also showing the brilliant designs available in the physical copy of the book. A BONUS link in the book lets you download books with high quality coloring book PDF pages with dozens of illustrations that readers can PRINT. The download is optional, it is not the main function or purpose of this ebook - PRINT REPLICA. Roar! The great big dinosaurs are on the roll! These creatures may have been extinct for millions of years but they still capture the attention and the imagination. As a matter of fact, children will love to fill this coloring book with colors of their own choosing. They can pink dinosaurs, blue ones or even purple ones! Skys the limit and the imagination is the only competition.
